Dear Oak Hill Residents,

You may not be aware of—but will be happy to discover—the existence of the Oak Hill Community Association. This organization has been up and running for over 50 years providing social events and opportunities for adults and children to meet. In addition, we keep up with developments within the Township, particularly those that may encroach upon the environs of Oak Hill.

## What do you get for your \$30 investment into your community?

- Monitors and assures responsible building development
- Provides the most comfortable way to meet your neighbors
- Promotes community based family activities
- Creates and hosts exciting children's events
- Direct liaison with Mayor's office and Middletown Police Department

## OHCA

*Protecting your family's quality of life since 1956!*

- 1960s** Red Hill Road had a small gas station that was up for expansion. The OHCA prevailed and it was changed into housing.
- 1973** Promotes city water and sewers for Oak Hill homes that had septic and well water.
- 2005** Blocked development of a nursing home and parking lot on land adjacent to GSDP Exit 114 Northbound.
- 2012** Joined with Lincroft's Resident association to reduce the number of homes to be built on Avaya property.

**The OHCA continues vigilance for your family, to block unseemly or inappropriate development.**
